

Climate measuring instrument testo 440 with CO₂ sensor

For reliable assessment of indoor air quality. Complete set for long-term measurement and parallel determination of CO₂ concentration, humidity and indoor air temperature. Consisting of the climate measuring device testo 440, a multifunctional, wireless handle and CO₂ sensor. With absolute pressure compensation, calculation of wet bulb temperature, dew point and absolute humidity. Fully configured, ready for use.

- Wireless handle with Bluetooth[®] technology
- Easy, intuitive operation
- Easy storage of measured values by means of a button on the handle
- Large, illuminated graphic LCD with parallel display of 3 measured values
- Measuring instrument with magnetic fixation on metal surfaces
- Internal data storage and USB interface
- Handle can be extended with other probes to measure further parameters
- Automatic probe recognition
- Dimensions (instrument, W x D x H): 65 x 32 x 154 mm
- Dimensions (handle, W x D x H): 50 x 40 x 295 mm
- Power supply (instrument): 3 x AA 1.5 V
- Power supply (handle): 4 x AA 1.5 V

Scope of supply: Multifunctional climate measuring instrument testo 440, USB cable, handle with CO₂ probe incl. temperature and humidity sensor, table stand, batteries and calibration protocols for measuring device and sensors, transport case

Relative humidity: 5 ... 95 %
Temperature: 0 ... 50 °C

Type	Max. CO2 ppm	CO2 range	Min. relative humidity %	Max. relative humidity %	Max. temperature °C
testo 440 CO ₂ Set	10000	0 ... 10,000 ppm	5	95	50

Zubehör:

Cases for climate measuring devices testo 440 / Testo SE & CO KGaA
Vane probes for climate measuring instrument testo 440, Bluetooth[®] / Testo SE & CO KGaA
NTC Temperature probes for testo measuring devices / Testo SE & CO KGaA
USB power supply unit / Testo SE & CO KGaA
Pt100 Laboratory probes for testo measuring devices / Testo SE & CO KGaA
Thermocouples with TC adapter for testo measuring instruments / Testo SE & CO KGaA
Immersion tip for testo measuring devices / Testo SE & CO KGaA
TC-Temperature probes for testo measuring instruments, TC plug type K / Testo SE & CO KGaA
Magnetic probes for testo measuring instruments / Testo SE & CO KGaA
Pipe contact probe with velcro tape for testo measuring instruments / Testo SE & CO KGaA
Globe thermometer for testo measuring instruments / Testo SE & CO KGaA
Digital Pt100 immersion/penetration probe for testo measuring instruments / Testo SE & CO KGaA
Digital hot wire probe for climate measuring instrument testo 440 / Testo SE & CO KGaA
Hot wire probe head / Testo SE & CO KGaA
Pipe contact probe with clamping bracket for testo measuring instruments / Testo SE & CO KGaA
Clamp probe for testo measuring instruments, TC plug type K / Testo SE & CO KGaA
Digital hot ball probe for climate measuring instrument testo 440 / Testo SE & CO KGaA
Digital vane probe for climate measuring instrument testo 440 / Testo SE & CO KGaA

Alternativen:

Climate measuring instrument testo 440 dP / Testo SE & CO KGaA
Thermometer testo 440 Laboratory kit / Testo SE & CO KGaA
testo 440 lux kit / Testo SE & CO KGaA
Climate measuring instrument testo 440 / Testo SE & CO KGaA
